TGW's 1/2" Air Holder is the mainstay for converters throughout the industry. Shipped from Stock, it is ready to mount with hardened sideplates, standard score knife and flexible hose. Options: Perf Wheels, Sealed Bearings, Steel Braided Hose, Quick Clamp Dovetail Mounts, replacement parts and more...

Dusenbery Style Heavy Duty Air Holder provides (via an air cylinder) extra pressure to the blade. It easily clamps and is securely locked to a dovetail bar. Replacement parts available.
